

## How to Find Us

## How to Find Us

### By Train:

Liverpool Street station is within 5 minutes walk from our office. London's other mainline stations are within fifteen minutes by London Underground to Liverpool Street station. Travel information can be obtained from <http://www.nationalrail.co.uk/>, or <http://www.tfl.gov.uk/tfl/>

### By London Underground:

Nearest stations are either Liverpool Street (5 minutes) or Bank (10 minutes). See 'On Foot' for directions from these stations.

### On Foot:

Walking from the stations is straightforward, though you may prefer to take a taxi. JR's office is located on Cutler Street just off Houndsditch, opposite Haz Restaurant.

From Liverpool St station main entrance turn left towards Bishopsgate (1 minute), at the pedestrian crossing on the junction of Liverpool St and Bishopsgate, cross Bishopsgate and continue straight on up Devonshire Row (there is a Subway sandwich restaurant on the left side of this street). Cross Devonshire Square at the end of this street and Cutlers Court can be seen directly in front of you on the corner of Cutler St and opposite Haz restaurant.

From Bank Station take Exit 2 for Threadneedle Street, walk up Threadneedle Street; at the end of this road turn left and continue to walk up Bishopsgate towards Shoreditch. Turn right onto Houndsditch and Cutler Street can be found on the left hand side just opposite a Starbucks Coffee shop.

### International Travel:

From Heathrow airport: travel to Paddington station using Heathrow Express, then take the London Underground Circle Line to Liverpool Street, and directions as above on foot. Alternatively take a taxi from Paddington Station to the offices directly, typically 30 minutes journey time.

From Gatwick airport travel to Waterloo by train via Victoria or Clapham Junction stations. Waterloo is also the terminus for Eurostar trains. From Waterloo either take a taxi (approx 30 minutes) or take London Underground to Liverpool St station (One stop on Northern Line to Embankment, then Circle line to Liverpool St station)
